Who We Are

DEER MOUNTAIN VILLAGE IS OWNED BY FATHER-SON ENTREPRENEURS ALEC AND GERARD KEATING, OPERATING AS KEATING RESOURCES.

Over his career, my father, Gerard has acquired, developed, and sold real estate assets valued at over \$1 billion across seven states and nearly every real estate sector. His notable projects include over one million square feet of industrial development in Tampa, FL, the construction of the only underground dolomite limestone mine in Chicagoland, and the acquisition and disposition of the Louisiana Delta Plantation, which was the largest contiguous farm in the continental United States at the time of the transaction.

I, Alec, joined Keating Resources in 2020 after graduating from Southern Methodist University with a BBA in Real Estate Finance. Since joining the company, I have been directly involved in the purchase, development, and sale of over \$150 million in real estate assets, participating in every step of the process, including property identification, underwriting, land planning, capitalization, marketing, legal, and sales.

Since our first acquisition in the Black Hills in 2020, we have invested over \$70 million to purchase, and developed 300 residential home lots across four communities, two commercial properties, and the largest casino to open in Deadwood in 15 years. In the past 18 months alone, we have generated over \$30 million in residential lot sales.

We are proud to have made a significant impact and look forward to a bright future. Despite impressive population growth over the past three years, the Mountains of Western South Dakota remain a well-kept secret—but not for long.

Alec Keating

Our Vision

WHAT MAKES AN EXTRAORDINARY COMMUNITY?

This is a question that we have dedicated thousands of hours to, traveling from coast to coast in search of the answer. We have drawn inspiration from the best and networked with the individuals instrumental in their success.

The most successful communities share many traits: natural beauty, proximity to vibrant towns and recreational opportunities, exceptional architecture and design, and highend amenities. However, one particular characteristic stands out among the finest communities—they are led by a team with a singular vision that is fully invested in its realization.

Deer Mountain Village is poised to become one of the premier private adventure communities in the United States. Here, we have it all: stunning natural beauty, high-end amenities including skiing, proximity to Deadwood and Spearfish, and architecture and design that rival the most famous mountain towns in the West.

Above all, the success of Deer Mountain Village will be driven by our commitment as developers. We will be involved in every step of the process, ensuring that our vision for Deer Mountain Village comes to life.

Clubhouse Amenities

Inside the Clubhouse, families can enjoy light meals and drinks at the bar and cafe while catching up on their favorite shows on the TV or challenging each other to a game of pool. The lounge area and locker rooms provide an additional level of comfort and convenience for guests.

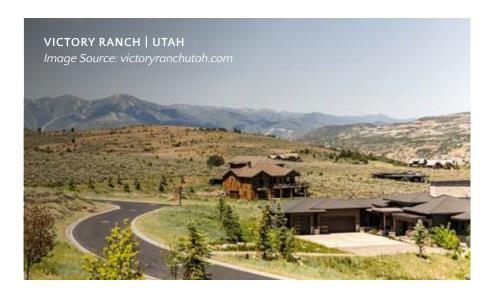

Outside, the fun continues with a pool and hot tub perfect for soaking up the sun, a sprawling outdoor lounge space ideal for relaxing with loved ones, a cold plunge, two pickleball courts, and a tennis court perfect for those who love friendly competition.

2024 with expected completion in 2025.

Community Inspiration

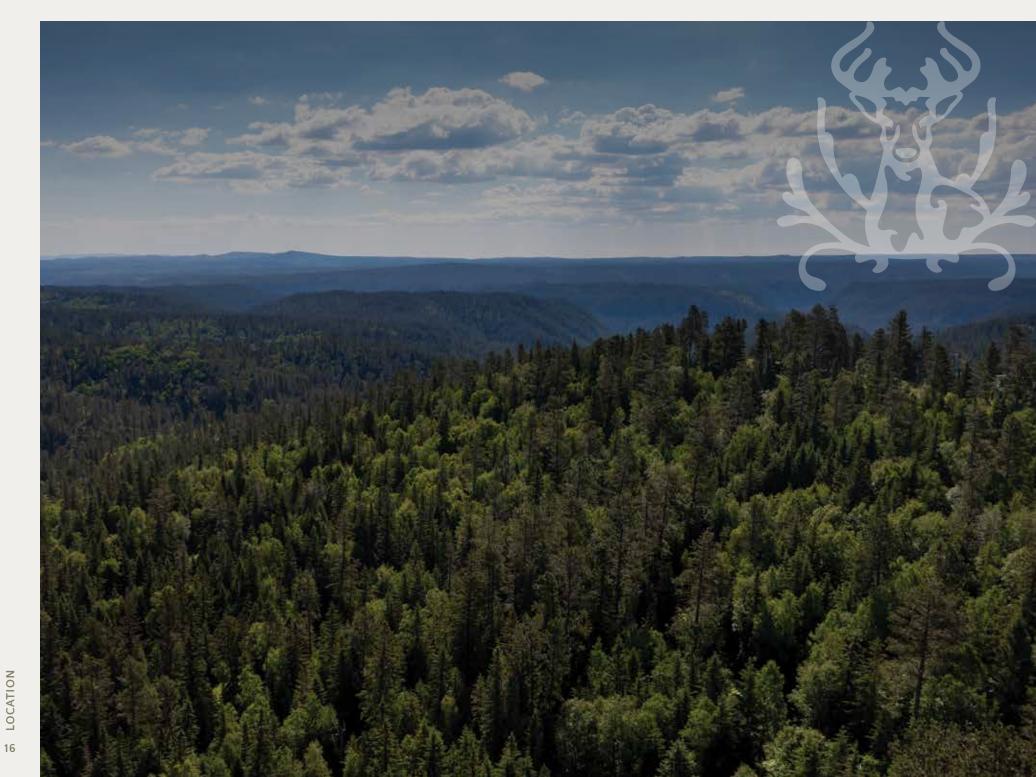

We have studied numerous communities. drawing particular inspiration from Victory Ranch near Park City, UT, Tributary in Teton Valley, ID, Alys Beach along Highway 30A in Florida, and Sea Ranch in Sonoma County, California. Each of these communities has flourished due to the visionary planning of their developers. Here are the key lessons we have learned: **ARCHITECTURAL GUIDELINES RENTAL POLICIES**

Each community adheres to strict architectural standards, ensuring a consistent and harmonious aesthetic across all structures. For example, both Victory Ranch and Tributary mandate the use of high-quality, authentic exterior materials, eschewing vinyl siding and vibrant colors in favor of a timeless aesthetic. This approach creates an enduring ambiance, ensuring these communities will remain as appealing in 30 years as they are today. Consequently, we will enforce rigorous guidelines to guarantee that every home built is of the highest quality. Evidence suggests these standards will enhance the value of your home and investment

In these communities, rental homes are either unavailable to the public or managed in-house by the development company. At Victory Ranch and Tributary, vacation homes are exclusively available to lot owners, effectively limiting access to friends and family of the owners. This policy fosters a close-knit community and minimizes the risk of property damage and cultural disruption by transient renters. At Alys Beach, rentals are meticulously managed by the development company, which enforces strict rules and regulations.

The Location

Located in the Heart of the Northern Black Hills, neighboring the historic towns of Spearfish, Deadwood, Lead, Sturgis, and Belle Fourche, Deer Mountain Village is in the middle of it all.

GETTING HERE

Las Vegas Harry Reid International (LAS)

Los Angeles International (LAX)

Deer Mountain Village is a one-hour drive from Rapid City Airport which hosts direct flights from eight major airports nationwide. Additionally, private aircraft can land at Black Hills Airport which is just 25 minutes away from the property. The airport has a 6400' runway and can accommodate a variety of aircraft.

Spearfish

Discover Spearfish, South Dakota, just 30-minutes from Deer Mountain Village. This bustling town is the largest in the Northern Black Hills, and has been a thriving center for art, culture and outdoor recreation since 1888. Enjoy delicious cuisine, refreshing brews and unique stops like the DC National Historic Fish Hatchery.

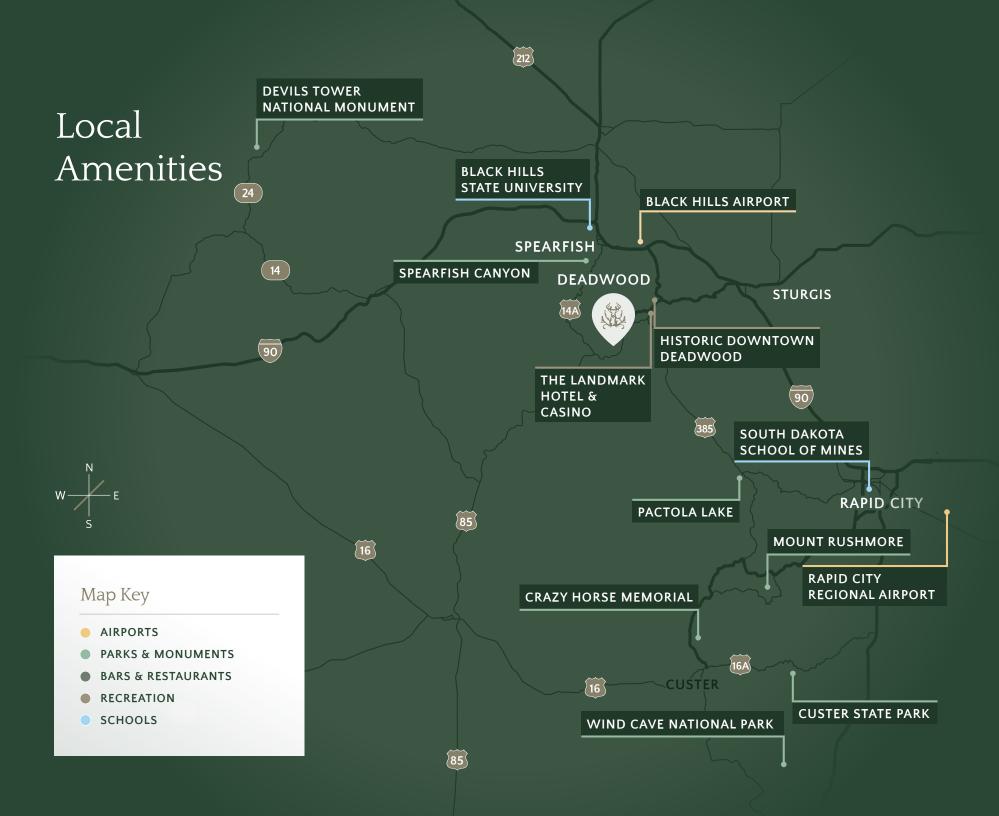

Lead

Five minutes from Deer Mountain Village, discover the historic mining town of Lead, South Dakota—home to the highest producing gold mine in American History, which is now home to Sanford Underground Research Facility (SURF). SURF is the deepest underground research facility in the US where scientists search to answer fundamental questions about the universe in areas such as dark matter and neutrino physics.

Adventures in the Area

Deer Mountain Village is the perfect destination for families seeking an active yet tranquil retreat. With so many activities to offer, there's something for everyone to enjoy.

Kids can splash around in the Clubhouse pool, while parents play on the nearby pickleball courts. If you're feeling adventurous, head to the slopes to ski or snowboard down the mountain, or rent a mountain bike and explore the scenic trails. And after a day filled with excitement, retire to your cozy cabin to relax and unwind. At Deer Mountain Village, you and your family will create memories that will last a lifetime.

NATURAL BEAUTY

The Black Hills are the highest mountain range in the United States east of the rockies. From rugged mountains and beautiful canyons in the northern hills to striking rock formations in the southern hills, streams filled with trout, and forests home to black hills spruce, aspen, birch and ponderosa, there is no shortage of natural beauty and geological diversity in the Black Hills.

LOW TAXATION

South Dakota is a state well known for low taxation and regulation, promoting investment and business growth. South Dakota has no state income tax, no state capital gains tax, no state inheritance tax, and an annual real estate tax which equals approximately 1.75% of property value one of lowest in the USA.

DIVERSE ECONOMY

A common issue in many mountain destinations is that there is no real economy to speak of outside of tourism, and this creates labor issues. This is not the case in the Black Hills. The Region is home to a diverse economy which includes agriculture, mineral extraction, gaming, tourism, and a strategic airforce base home to our nations stealth bombers. Also, the year around population of the region is over 150,000 and up to 225,000 during the summer months.

ACCESSIBILITY

Located near the center of the nation, the Black Hills are highly accessibly. Rapid City Regional Airport hosts daily flights from Dallas, Denver, Charlotte, Phoenix, Minneapolis, Chicago, Las Vegas, and Atlanta. For Private Fliers, Black Hills Airport in Spearfish has a 6,400' runway which can accommodate most private aircrafts.

Exceptional Value in a Serene Setting

Discover the extraordinary value of Deer Mountain Village's land, priced from \$364,000 per acre. Compared to other renowned ski towns like Aspen and Park City, where prices soar well into the millions per acre, this tranquil mountain haven offers an enticing opportunity for both homeowners and investors. With boundless potential for appreciation, Deer Mountain Village stands as an excellent choice for those seeking an idyllic lifestyle without the premium price tag.

US MOUNTAIN TOWN PRICING QUICKLOOK

CITY	MEAN LIST PRICE PER ACRE
Park City, UT	\$3,131,216
Aspen, CO	\$10,392,530
Jackson, WY	\$2,893,926
Ketchum, ID	\$1,938,042
Lake Tahoe, CA	\$3,255,856
Breckenridge, CO	\$2,685,298
Crested Butte, CO	\$1,174,243
Big Sky, MT	\$2,294,377
Driggs, ID	\$571,845
Couer d'Alene	\$1,304,946
Deer Mountain, SD	\$336,000

Please note: Data was collected from Zillow listings 11/27-12/1 2023. Parameters were 5-10 acres, utilities, and amenities or close proximity to amenities. The sample size was 10 lots per market. Some comps do not have asphalt roads. Effort was made to exclude lots 10m+ per acre when possible.

The Purchasing Process

Purchase Agreement

Due Diligence Process

3 Closing *

Congratulations!

During this period, you will obtain an appraisal, Title report, Survey, and Financing (if applicable). Keating Resources pays for all items and knows multiple lenders you can contact for financing.

The closing of your property will be through Sodak Title.

You have purchased your property. Whats next?

4

Architecture/ Engineering

Keating Resources offers all buyers a preliminary architectural draft for their home (est cost \$4,500) through Aspekt Architecture out of Bozeman. Although we don't require you to build, we suggest all buyers take us up on this offer. This is the first step in building your dream mountain home!

5

Choose a Builder

After you have completed design, its time to find a builder. There are a number of qualified companies in the area. We give each of our buyers a list, and suggest interviewing each to determine who is the best fit for you.

6

Review Bids

Once you choose a builder, they will use the Architecture and Engineering designs to bid your home. After reviewing the itemized bids, you may decide to add or subtract certain items. 7

Start Construction

After you have finished design, reviewed bids, and completed the geotechnical analysis, its time to start construction!

WHAT IS DEER MOUNTAIN VILLAGE?

The community has 187 one to three acre lots. Deer Mountain Village is the highest-elevation community in the USA, east of the Rocky Mountains.

The community will have approximately 187 single-family home lots, and all one acre or more in size. The community is naturally divided by County maintained Terry Summit Road with 83 east-facing home lots located east of Terry Summit Road and up to 104 west-facing lots located west of Terry Summit Road.

WHAT IS THE HISTORY OF DEER MOUNTAIN VILLAGE?

Deer Mountain Village operated as a forprofit snow skiing and snow tubing venue between approximately 1967 and 2017 under the names of Deer Mountain and, for a short period, Mystic Miner Resort.

WHAT AMENITIES WILL DEER MOUNTAIN HAVE?

Deer Mountain Village will have day snow skiing supported by two existing, underrestoration Riblet ski lifts, tubing tow, a 956' snow tubing hill, 10 miles of bike trails, an approximately 6,800 square foot clubhouse, and a heated swimming pool, hot tub, and multipurpose courts for pickleball, tennis and basketball.

WHO OWNS AMENITIES AND HOW WILL AMENITIES BE OPERATED?

The amenities will be owned and operated by the HOA. The amenities will include the clubhouse, courts, pool, and also the mountain amenities. The mountain amenities will include the ski runs, ski lifts, mountain bike trails, hiking trails.

WHEN WILL THE AMENITIES OPERATE?

The Clubhouse will be operated yearround. Hours of operation for mountain activities and other amenities will be based on the weather and owner demand.

WHAT WILL THE HOA FEE BE AND WHEN WILL FEES BE ASSESSED?

HOA fees will start the first month after the Clubhouse opens. The Clubhouse is under construction and expected to open in July 2026.

The year one monthly HOA fee is estimated to be \$600 per month and increasing to \$1,250 per month over time which will cover all operations including the Clubhouse, trail maintenance, ski lift operation, and removal of snow from roads.

WILL GUESTS BE ALLOWED TO USE THE AMENITIES?

Each lot owner will have six guest passes for non-vertical family members. Additional guest passes for daily use may be issued if capacity is available.

WILL THE NON-GUEST PASSES OR PUBLIC DAY PASSES BE AVAILABLE?

No, day passes will not be available to the public. Deer Mountain Village amenities will only be accessible to homeowners and renters.

ARE HOME OWNERS ALLOWED TO RENT HOMES?

Lot owners are allowed to rent homes to family, friends along with other lot owners and their family and friends. Lot owners will be able to market their rental to other lot owners without cost through the HOA managed lot owner portal on the DMV website. Lot owners will be required to use an HOA approved rental form and to carry liability insurance protecting the HOA against actions of renters. This policy is consistent with other luxury communities.

WILL DEER MOUNTAIN VILLAGE GROOM SNOW?

Deer Mountain Village has and will groom snow using an existing owned Pistenbully snow groomer.

WHO OWNS DEER MOUNTAIN VILLAGE?

Deer Mountain Village is owned by KR Deer Mountain Club 2021, LLC, which is owned by Gerard and Alec dba Keating Resources deermountainvillage.com

WHAT IS THE ELEVATION OF DEER MOUNTAIN VILLAGE?

The elevation is approximately 6,000' at the base and 6,640' at the summit.

DOES SOUTH DAKOTA HAVE A STATE INCOME TAX, STATE CAPITAL GAINS TAX OR A STATE ESTATE TAX?

South Dakota is one of only four states with no State income, capital gains, or estate tax.

WHAT IS THE ADDRESS OF DEER MOUNTAIN VILLAGE?

11187 Deer Mountain Road, Lead, South Dakota 57754

WHAT INFRASTRUCTURE WILL SERVE LOTS?

All lots will be served by a 24' county specification asphalt road, high-speed fiber by Bluepeak & Midco, single-phase electric by Black Hills Energy, and municipal water provided by the Deer Mountain Sanitary District (DMSD). Buyers will be responsible to purchase and install propane and septic tank.

WHAT PUBLIC ROADS SERVE DEER MOUTAIN VILLAGE?

Deer Mountain Village is served by Deer Mountain Road from U.S. Highway 85 and Terry Summit Road from U.S. Highway 85.

WHERE DOES DEER MOUNTAIN SANITARY DISTRICT OBTAIN ITS WATER?

Deer Mountain Village obtains its water from the Deer Mountain Sanitary District (DMSD), which currently charges a flat fee of \$120 per month for water. DMSD is installing a new water system in 2024–25 and will implement a per-gallon fee for water-based meter readings after the new system is installed. DMSD obtains its water from the Lead- Deadwood Sanitary District #1 (www.ldsd1.com).

WHEN WILL AMENTITIES BE COMPLETE?

- . Clubhouse, Pool, and Courts: July 2026
- . East Mountain Ski Lift: DONE
- West Mountain Ski Lift: December 1, 2025
- East Mountain Bike Trail Phase 1-3: DONE
- West Mountain Bike Trail: October 2026

WHAT FINANCING OPTIONS ARE AVAILABLE?

There are multiple banks that will lend up to 80%. These include:

- . Legends West
- . First Interstate Bank
- . Black Hills Community Bank
- Rural First

WHEN WILL LOTS BE COMPLETE?

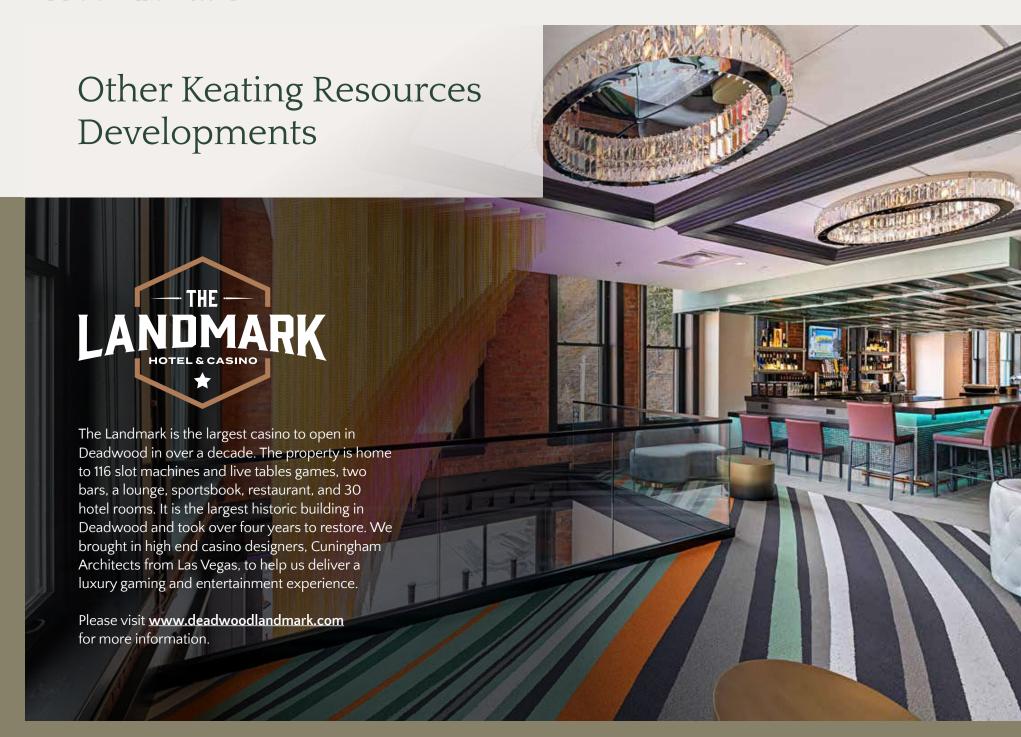

Phases 1 and 2, comprising 104 lots, have been completed. The remaining 87 lots in Phases 3 and 4 are scheduled for completion by October 2027.

WHAT DO LOTS COST?

Please contact our sales team for information regarding pricing and availability.

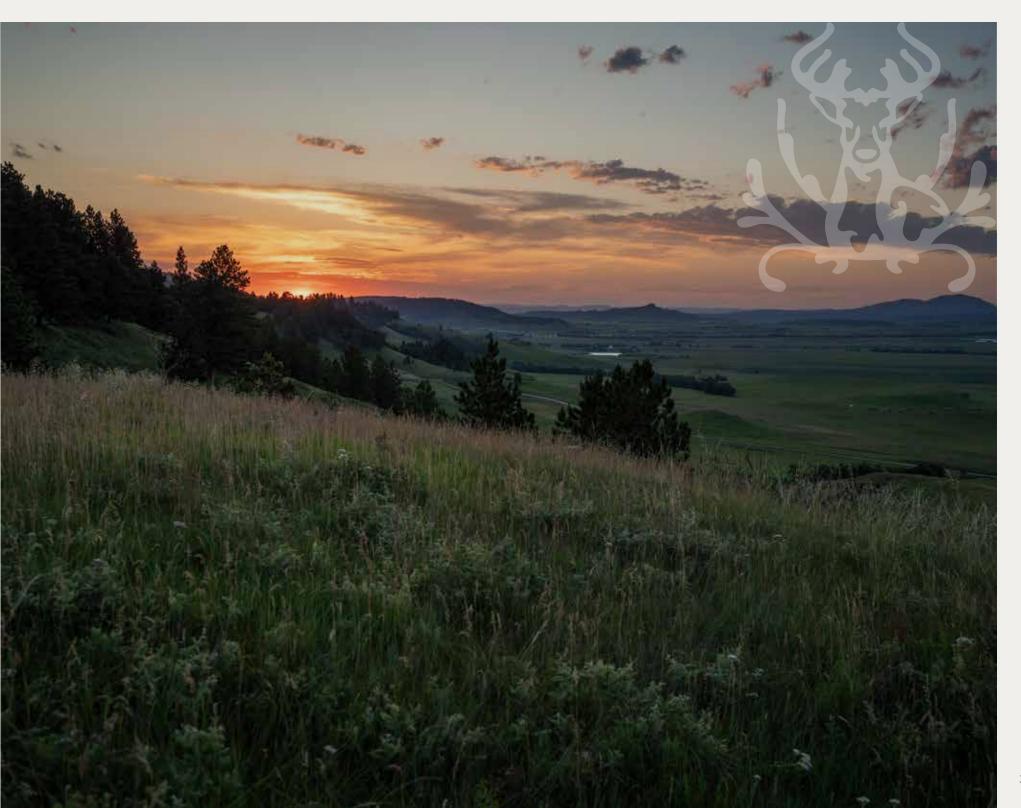

WHAT CLIMATE ZONE IS DEER MOUNTAIN VILLAGE?

- Climate is Warm Summer Continental (Dfb) as defined by Köppen Geiger Climate Types:
- · Annual snowfall averages: 150 inches
- . Rainfall: 33 inches
- . Days of Sun: 230
- Winter High/Low Average Temperatures are 35°/16° with an average of 79% relative humidity
- Summer High/Low Average Temperatures are 80°/56° with an average of 51% relative humidity
